

Mustafa Şenol Sarıgül

Jr. Full Stack Web Developer

I was born in 1981 in Erzincan. I live in Kocaeli, Turkey. I finished highschool (1996 - 1999) in Gölcük. After the Kocaeli earthquake, I went to Vienna (Austria) to study. I studied media enformatics for 5 years, unfortunately I came back to Turkey before i could finish it. Between 1997 - 2007, I did website and graphic works (in Austria) for small and medium-sized companies. Since 2007 live in Turkey and work (or search) as Freelancer
